Company: Greenpak, Inc.
Location: Parkersburg WV & Florence, SC
Job Level: Senior Staff
Position: Sales & Marketing Professional
Field: Sales and Marketing
Job Functions:

Description

World recognized company headquartered in Parkersburg, WV with multiple locations and facilities in VA and SC is seeking a Sales & Marketing Professional to spearhead the growth of its proprietary products and sustainable systems program.

This position is not for a classic product salesperson but a special opportunity that could change the right person's life significantly. This position requires an individual that is a Business and Salesman. They have contacts with industrials and have the ability to think critical and conceptual.

Benefits include Company sponsored health, life and short term disability, a progressive 401K plan, paid holidays and vacations. Please include your salary/compensation expectations which are all negotiable.

Specific Skills

The ideal candidate will possess critical thinking skills, conceptual ideas, have business acumen, and be articulate in order to penetrate both national and global markets. In addition, the right person will have proven packaging sales experience, the ability to assess new business, and be able to present our products and services in a positive and professional manner.
